

Easter Resurrection Garden

Once again this year, we will recreate a Resurrection Garden in the Chancel area to celebrate our risen Savior and to remember our loved ones. Please select from the list of flowers below provided by Mt. Royal Market. Orders must be in the church office with payment by Friday, April 5. You may pick up your plant or plants after the 10:30 a.m. Easter Sunday service (April 21) or you may ask that it be given to a shut-in. Include your name and the name(s) of those you are remembering on this special day. There may be substitutions on the color of the plant, but not the type of plant.
